The Paddle into the Past Tours take place on the River Severn in Shrewsbury and are a journey around the river loop in Canoes and Bellboats exploring the cultural history and connection between river and town.

We meet at 6.45pm, Frankwell Recreation Ground – Canoe Ramp and finish at the Shrewsbury Weir 9pm.

The Tours are open to all and no special skills are needed to paddle the craft. You will be accompanied by an experienced and qualified Coach/Instructor who is there to help and advise you.

Participants should be able to swim but we do not exclude anyone who has minimal skills or who cannot swim – please note this on the Booking Form. You will be required to wear a buoyancy aid – these are supplied.

Please wear older clothes as canoeing can sometimes be muddy and wet from splashing. Soft soled shoes are best and you may find a waterproof jacket useful if the weather is a little inclement.

We reserve the right to:-

cancel or amend a Tour without prior notice, if in our opinion, conditions make it unsuitable to start or continue.

to cancel a Tour if a viable number is not reached – a place will normally be offered on a later Tour.

Should you decide to leave the Tour early you do so at your own risk and expense.

Drummond Outdoor or their employees cannot be held responsible for any loss, damage or injury however caused whilst engaged in activities surrounding the Tour or for any loss, damage or injury however caused to a third party.
